Lisa's presentations are designed for both beginning & advanced genealogists.

Lisa is passionate about genealogy!

Lisa Louise Cooke is the owner of **Genealogy Gems**, a genealogy and family history multi-media company. She produces and hosts the **Genealogy Gems Podcast**, an online genealogy audio show that brings research strategies and expert interviews to genealogists in 75 countries around the world, and recently celebrated 1.5 million downloads!

Lisa digs through the myriad genealogy questions & resources to deliver special **gems** to add to your family history trove!

Do you want to say, “WOW, I learned a lot from Lisa,” on April 23?

Come to the BGS Spring Seminar for these presentations:

- **Get the Scoop on Your Ancestors with Newspapers** — Yearning to “read all about it?” Newspapers are a fantastic source of research leads, information and historical context for your family history. Learn Lisa's approach to achieve success in locating news about your ancestors.
- **Genealogy Podcasts 101** — Learn everything you need to know about how to find and listen to genealogy and history podcasts.
- **Time Travel with Google Earth** — Experience historic maps, images and videos coming together to create stunning time travel experiences in the free Google Earth program.
- **Inspiring Ways to Capture the Interest of the Non-Genealogists in Your Family** — Learn how to capture the imagination of your non-historian friends and relatives. Lisa's projects are guaranteed to inspire your family to ask you to tell them more about the family tree!
